The **APEX Fun Run** is coming to Triggs! This is the **only major fundraiser** we do as a school, so your support means a lot to us. The students look forward to the Fun Run, and we hope you are as excited as they are. APEX will be on campus the weeks of October 10th and October 17th, and our Fun Run will take place on Thursday, October 20th. We are looking forward to a successful event!

Dads in Schools

We are excited to partner with Dads in Schools, a program that invests in students' social-emotional wellbeing and academic progress through community investment, resulting in increased school safety, student self-confidence, and student belonging. The program unites the community by bringing volunteers into schools to help create a positive and safe environment in which students can thrive both academically and socially. The goal is "prevention through presence."

Dads in Schools volunteers receive training in promoting consistent daily attendance, restorative justice best practices, anonymous SafeVoice reporting procedures, and removing barriers to success. All of the volunteers must pass a background check to be a part of Dads in Schools. If you are interested in giving back to your school community by serving as a volunteer, please check out the links below. If you choose to apply, please contact the office once you have completed your application.
