Conferences

Student-led conferences are scheduled for the week of October 10-14. Your child's teacher will contact you to set up a conference time. There will be no school on October 14th to allow time for student-led conferences during the day. Your child's teacher will send home information regarding scheduling a conference. To prepare for your child's student-led conference, please note:

1. Students play a very important role in the conference. They **MUST** attend the conference.
2. Be prepared with any questions you may have. Here are a few ideas...
 - How can I best support my child and collaborate effectively with the teacher?
 - What are my child's strengths and areas for growth?
