Triggs Tribute

A **Triggs Tribute** is a special way to recognize a Triggs employee (teacher, office staff, aide, custodian, etc.) who demonstrates special efforts, goes above and beyond, or takes the time to go the extra mile to help ensure the success of your child. A **Triggs Tribute** gives you an opportunity to recognize an employee for a caring attitude and/or a job well done.

Readers are Leaders!

Reading and understanding what you read is a skill that everyone needs to be successful. The best way to improve understanding is to read a lot. There is nothing like a challenging book to lift you up or take you to another world. Developing a love of reading will be an asset to students in all areas of school and will give them a jumpstart to a lifetime of reading!

Integrating the habits into a part of your family's life can be fun and exciting using books children enjoy. Below are some suggestions for engaging with books.

Lower Elementary (Pre K-3)

Read the book together or have your child read the book to you. Ask questions about how the characters use the habits.

Upper Elementary (4-6)

Your child reads the book to you. Ask questions about how the characters use the habits.

Make reading a family affair!

- Set a regular time that works for everyone (even just 15 minutes) where each member of the family can engage in a fun book.
- Create a cozy, realizing environment that encourages reading.
- Store books in a visible location at home.
- Talk to your student about what you're reading, both for work and personal life.

The 7 Habits™ Tree

Yearbooks are on sale now for \$20! Prices increase to \$25 on 3/24/23. Order online @ www.buytheyearbook.com and enter school code 707698

Forms are available in the Front Office!

Summer Acceleration

Please take a minute to fill out the [Summer Acceleration Google Form](#) to let us know you plan on sending your child to Summer Acceleration.

Pathway for Success

- Standards-Based Grading provides meaningful feedback so both students and parents can track progress toward mastery of academic standards and reflect upon strengths and areas for improvement.
- Standards-based grading communicates how students are performing on a set of clearly defined learning targets.
- You will see scores categorized as formative or summative. Formative assessments may include quick checks, review and teacher observations and are weighted at 0%. Summative assessments may include end-of-unit tests, common assessments, and projects. They are counted toward the final grade in the gradebook and are weighted at 100%.

What will each of the numbers in the 4 point scale represent?

Exceeds Standard (4)	
Meets Standard (3)	
Approaches Standard (2)	
Emergent (1)	

Attendance Notes

If your child is absent, follow these steps to submit an attendance note:

- Visit the Triggs Website: <https://triggses.com/>
- Click the Parents Tab
- Click the [Attendance Note](#)
- Complete the Form

If you complete the form, there is no need to send in a note!
