### Triggs Tribute

A **Triggs Tribute** is a special way to recognize a Triggs employee (teacher, office staff, aide, custodian, etc.) who demonstrates special efforts, goes above and beyond, or takes the time to go the extra mile to help ensure the success of your child. A **Triggs Tribute** gives you an opportunity to recognize an employee for a caring attitude and/or a job well done.

**Readers are Leaders!**

Reading and understanding what you read is a skill that everyone needs to be successful. The best way to improve understanding is to read a lot. There is nothing like a challenging book to lift you up or take you to another world. Developing a love of reading will be an asset to students in all areas of school and will give them a jumpstart to a lifetime of reading!

Integrating the habits into a part of your family's life can be fun and exciting using books children enjoy. Below are some suggestions for engaging with books.

**Lower Elementary (Pre K-3)**

Read the book together or have your child read the book to you. Ask questions about how the characters use the habits.

**Upper Elementary (4-6)**

Your child reads the book to you. Ask questions about how the characters use the habits.

**Make reading a family affair!**

- Set a regular time that works for everyone (even just 15 minutes) where each member of the family can engage in a fun book.
- Create a cozy, realizing environment that encourages reading.
- Store books in a visible location at home.

The 7 Habits™ Tree

- Talk to your student about what you're reading, both for work and personal life.
