Triggs Tribute

A **Triggs Tribute** is a special way to recognize a Triggs employee (teacher, office staff, aide, custodian, etc.) who demonstrates special efforts, goes above and beyond, or takes

the time to go the extra mile to help ensure the success of your child. A Triggs Tribute gives you an opportunity to recognize an employee for a caring attitude and/or a job well done.

Attendance Matters...

If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and careers. Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade.

What Families Can Do...

- Build regular routines for bed time and the morning.
- Talk about the importance of regular attendance and about how your child feels about school.
- Don't permit missing school unless your child is truly sick. Use a thermometer to check for a fever. Remember that stomach aches and headaches may be signs of anxiety.
- Avoid medical appointments and extended trips when school is in session.
- Develop back up plans for getting to school if something comes up.

Triggs Elementary School needs help! We want to provide the children with interesting and fun facts about various careers. We are planning to have a "Careers on Wheels Day" on Monday, March 25, 2024. The presentations will begin at 9:05a.m. and should be over by 11:05a.m. We need vehicles and volunteers to present and explain the duties of their careers to students. This is scheduled to take place on the Triggs Elementary School field. The presentations should only last ten minutes and there will be a total of 800 students viewing your presentation. The rotation of classes are in grade levels between grades pre-k to 5th, so please keep that in mind when developing your presentation. If you are interested in bringing a vehicle and want to present, please reach out to Ms. McCay mccayrf@nv.ccsd.net or Ms. Ishkhem ishkhem@nv.ccsd.net. You may also contact the school at 702-799-1890. We are looking forward to seeing the many "Careers on Wheels!"

Join us on Thursday, January 18th, from 4:00p.m.-7:00p.m. at McDonald's for McTeacher's Night. We hope to see you there!
