Registration Information for the 2024-2025 School Year

Online registration for Triggs Elementary for the 2024-2025 School Year will begin April 15, 2024. Families with currently enrolled students can complete registration using the Parent Portal via Infinite Campus (campusportal.ccsd.net). Families new to CCSD may begin their registration process using Parent Portal via register.ccsd.net. For details about registration requirements, parents/guardians may visit register.ccsd.net.

Month of the Military Child

Every April, the Office of Military Community and Family Policy collaborates to support and celebrate military children and their parents during Month of the Military Child. This year's

theme, **Taking Care of Our Military Children**, focuses on and promotes the variety of programs and support available to help military children, youth and teens and their parents thrive.

Month of the Military Child Spirit Week

Monday, April 15th: Camo/Dandelion Day: Students and Staff can wear camouflage or the color yellow to support military students.

Tuesday, April 16th: Hats off to our United States Military, wear your favorite hat.

Wednesday, April 17th: Purple Up Day! Wear purple; this color is the combination of all military branches.

Thursday, April 18th: Stars and Sparkles Day: Wear stars or shiny sparkles to thank our troops for making America shine bright!

Friday April 19th: Military Parents are our superheroes! Wear your favorite superhero gear! or Wear red to show your support and to remember those who are deployed!

Academic Leadership Night

Join us on Thursday, April 25th from 5:30-7:00p.m. for Academic Leadership Night. We can't wait to see you there!

The solar eclipse on April 8, 2024, will be viewable in the Clark County area from approximately 10:12 a.m.–12:30 p.m. We have purchased solar eclipse glasses for all students so they can go outside and view the eclipse. If you

DO NOT want your child to participate in viewing the eclipse, please reach out to your child's teacher and let them know. Visit the following website for resources:

<https://www.science.nasa.gov>

We are continuing with SBAC testing in grades 3-5 and beginning MAP testing in grades K-5. It is important for

students to eat a well balanced breakfast and get lots of sleep. We know testing can be a stressful time for many students. Remind them that if/when they are feeling fatigued to keep pushing through, to persevere and to try his/her best! Watch this

inspirational story of [Olympic Athlete Derek Redmond](#) and how he persevered and didn't give up.

Concerns

Occasionally students and/or family members have school-related concerns. First, the student should be urged and coached to speak directly and respectfully to the teacher or student with whom s/he has a concern. If the concern persists, the next step is for the parent/guardian to speak directly to the teacher. If the concern still persists, parents/guardians may call the school office to leave a message for Administration. Please note: an Administrator will respond within 24 hours. Any concerns related to overall school operations should be directed to office personnel. Administrators are willing to meet with families about concerns, but their schedules do not allow for walk-in meetings. Please call to request a meeting with an administrator if you require one. All conferences with school personnel must be pre-arranged. School personnel are only authorized to discuss concerns with adults listed on the registration documents. Thank you in advance for treating all staff with respect when expressing concerns so that we can move forward to resolve your concern collaboratively.
