### Triggs Core Values

At Triggs Elementary School, we focus on three core values:

Take Care of Yourself  
Take Care of Each Other  
Take Care of this Place

These values serve as our foundation for how we operate as a school community to ensure a safe and respectful learning community grounded in kindness, respect, and collaboration.

## Raising Cane's Fundraiser

Thank you, Triggs Community, for all of your support of our school. Your generosity in attending the Raising Cane's fundraiser on September 12 raised \$775! That is amazing!

These funds will be used to support student engagement on campus ranging from student incentives to celebrations to student activities. Thank you again for your kindness in supporting our school!

### CCSD RAVE REVIEW

Want to recognize a Triggs employee (teacher, office staff, instructional aide, custodian, etc.) who demonstrates special effort, goes above and beyond, or takes the extra time to ensure the success of your child? Submit a CCSD RAVE Review!

The RAVE (Recognize A Valued Employee) Review Program incorporates unsolicited acknowledgement of Clark County School District (CCSD) employees who have demonstrated excellence in character, performance and service. Submissions should highlight accomplishments that exceed general job expectations and focus on those who truly go above and beyond for students, parents/guardians, fellow staff members, and the community.

We are looking forward to a successful event!
