

## Clark County School District Update Student Records Request Resources

### **Overview**

The Clark County School District has transitioned from Scribbles to Parchment as the official platform for transcript and student record requests. This change impacts requests for current high school seniors, alumni, and third-party organizations (e.g., colleges, employers, and agencies).

### **What's New**

- High school seniors can request transcripts for free at [transcripts.ccsd.net](https://transcripts.ccsd.net), transitioning this work away from the school site.
- Out-of-district record requests for students in Kindergarten through Grade 12 can be directed to [k12records.ccsd.net](https://k12records.ccsd.net).

If your school website includes guidance on requesting school records for former students, update the resource to direct requestors to [k12records.ccsd.net](https://k12records.ccsd.net). All school websites and documentation that require updates must be completed by 5:00 p.m. on Friday, March 27, 2026.

### **Contact Information**

Contact the Technology Help Desk at [HelpDesk@nv.ccsd.net](mailto:HelpDesk@nv.ccsd.net) or call (702) 799-3300, option 1 for assistance.
