Career Week Presenters

We will be celebrating Career Week Monday, March 9th through Friday, March 14th, 2026. We are looking to schedule members from the Triggs community to come in and conduct short (15-20 min) presentations to individual classrooms and grade levels on their careers. Please reach out to your child's teacher if you are interested and available to share about your career and help make Career Week a meaningful experience for our students!

Careers on Wheels

We need your help! We are still looking for vehicles to present to our students during our Career on Wheels event on Monday, March 9th from 9:10 a.m. to 11:10 a.m. Presentations should last approximately 10 minutes each and you will be presenting to approximately 800 students in grades Kindergarten to 5th grade.
