2026-2027 Suggested Supply List

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that there are times when parents/guardians choose to buy school supplies for their child. Should you decide to purchase school supplies, the following items would be appropriate. Some supplies will be shared by other class members. Thank you for your support.

All students should have a backpack with their first and last names written inside.
